

The Vancouver Waldorf School Society
Application for 2009-2010 Membership

The Vancouver Waldorf School Society appoints the Board of Trustees (BoT). The BoT ensures that the operations of the school are managed in a financially and legally responsible manner and serve the mission of delivering the Waldorf curriculum, namely, providing educational services based on the philosophy and principles of child development as indicated in the spiritual worldview of Anthroposophy. The Society, through its BoT, manages, tracks and oversees the yearly budget, ensures that the governance structure is effectively serving the delivery of the education while adhering to the philosophical principles, and ensures that the laws of society are adhered to in the employment of staff and in the operation of the school.

VWSS members should have an interest in, understanding of, and support for the Anthroposophical worldview of society, which provides the philosophical underpinnings for the education. Members should also have an interest in ensuring effective financial-legal and structural operation of the school. Current faculty and staff, parents or guardians of children currently enrolled in the school, alumni faculty, staff, students and parents, and those who support the school through donations of human and/or financial resources, and who meet the membership criteria described above, are eligible to become Full Members of the Vancouver Waldorf School Society.
