### RETAILER INFORMATION

All gift cards are offered in denominations of \$50 or \$100. All gift cards can be used across multiple shopping trips. No gift cards ever expire. Specific details of each store including what percentage return we will receive for our initiatives are detailed below.

STORE	TERMS	GOOD TO KNOW
<b>Sprout Organic Market</b>  5%	Gift cards are valid at Sprout Organic Market, located at the corner of East 7 <sup>th</sup> and Queensbury, North Vancouver.	Sprout Organic Market is an independent market offering 100% organic or wild crafted products. They have a great selection of produce, groceries, bulk goods and other items, making it a perfect one-stop shop for those looking to support small business. It is located a short 5-minute drive or 10-minute cycle from the Grade School campus.  Owner, Nicole, has and continues to be a wonderful supporter of our school so please consider reciprocating her support.
<b>Donald's Market</b>  10%	Gift cards can be used at all Donald's Market locations. They have stores in Hastings Sunrise, Commercial Drive, River Market New Westminster and soon to be opening in Port Coquitlam.	Donald's Market is an independent market offering quality products for an affordable price. It is packed with healthy varieties including an organic section and hard-to-find items requested by customers.  They are offering the school an excellent return so this store is the best choice for those living in Donald's neighbourhoods or for those transiting through the Hastings/Nanaimo area.
<b>Whole Foods</b>  5%	Gift cards can be used at all Whole Foods Markets in Canada. They currently have stores in West Vancouver, Robson Street, Cambie Street, Kitsilano and are opening soon in North Burnaby and later in the year on Lonsdale Avenue.	Whole Foods Market is an American supermarket chain that prides itself on offering some of the finest natural and organic foods available and staying true to its core value of caring about communities and the environment.  They are offering the school a 5% discount on gift cards purchased for the February orders. If we can show enough support for their store I hope to convince them to continue with our fundraising on an ongoing basis.
<b>Save-On-Foods</b>  2% - 6%  <i>(Depending on volume purchased.)</i>	Gift cards can be used at Save-On-Foods, Overwaitea Foods, Cooper's Foods, Pricesmart Foods.  Gift cards cannot be used for Save-On-Foods online delivery service at this time.	Save-On offers better discounts for the school than President's Choice because they have lower minimum spends to get the higher percentage returns.  They are a BC-based company with locations all across Western Canada including close to the school at Lynn Valley Village and also a larger store at Park & Tilford – across the road from the Return-It Depot to make even more money for our school's initiatives!
<b>President's Choice</b>  2% - 5%  <i>(Depending on volume purchased.)</i>	Gift cards can be used at any President's Choice stores as well as at the gas bars. This includes but is not limited to: Real Canadian Superstore, Loblaws, Joe Fresh, No Frills, Super Valu and Independent.  PC® gift cards can be used for anything in-store except tobacco, liquor or items from in-store third-party businesses.	President's Choice is a store brand owned by Loblaw Companies Limited, Canada's largest food retailer. Their cards offer the greatest variety of store choices and product offerings, such as clothing and homewares in addition to your groceries.  Their minimum spends for each level of rebate are higher than other stores, with the 5% return not kicking in unless we spend \$20,000 in the month. Having said that, based on your survey responses collected last October, we may be able to meet that level within our community if everyone gets involved.
<b>SPUD Fundraising</b>  25%	SPUD is not offering gift cards but are offering an excellent return for the school on all organic produce boxes ordered through the VWS page of their SPUD Fundraising site.  This can be found at: <a href="http://www.spudfundraising.com/school/vancouver-waldorf-school/">http://www.spudfundraising.com/school/vancouver-waldorf-school/</a>  Orders close Saturdays for delivery to the school on Tuesdays by noon.	Whilst only produce is available through SPUD Fundraising, they do offer the school the best returns of all the stores meaning more money for our initiatives.  All produce is sourced as locally, as organically, and with the best discounts available for the best selection each week.
