Interview with Misha Daroshin  
Class of 2008

**VWS:** Tell me about your work and education after graduating from the VWS. (post-secondary schooling, travel, work experience, family, etc.)

**MD:** I went straight to work at Brazza Gelato & Coffee house with plans to save enough money and travel Europe. As life would have it, I never made to Europe and after nine months of being unemployed I got a job at Tremblay Motors as a service manager.

I am currently engaged to by beautiful fiancé Mel Stevens with a wedding date of June 18<sup>th</sup> 2016!

**VWS:** What kind of work/study are you involved in now?

**MD:** I am currently working as a professional Real Estate Sales Agent with Teal 3000 Realty. You can view my current and sold listings at [www.mishadaroshin.com](http://www.mishadaroshin.com).

**VWS:** What advice would you give to this year's graduates?

**MD:** Find what you love to do and pursue it. I was a little late in finding what my passion is but it is never to late, as I discovered when I found Real Estate sales.

**VWS:** What are your fondest memories of your time at the VWS?

**MD:** The people within the community are what I look back on the most. The people are what set the experience apart and made it memorable.

**VWS:** How did Waldorf education affect your life, and your choice of career?

**MD:** It gave me a different outlook on life that not many people have. The view point that I need to go and make things happen for myself. The education that Waldorf gives you forces you to really think about what you want from a career and to pursue that goal intensely.
